

RIVERSIDE PAVILIONS

If you and your guests would like to be in the thick of the cross-country action at the SsangYong Blenheim Palace Horse Trials, then a riverside pavilion may be the perfect option. These pavilions offer companies or individuals a private base adjacent to the most exciting part of the cross-country course for entertaining, family celebrations or corporate events.

On course dining can be arranged, typically including a cold buffet lunch, a picnic style offering, afternoon tea or barbeque. Bespoke menus can be coordinated to suit your requirements, taste and budget. Enhance your day further with champagne or Pimms receptions, floral décor, guest speakers, course walks or allocated grandstand seats for the show jumping phase.

Riverside pavilion packages start from £1,200 + VAT
